# THE MAIN CONDITIONS OF IEO ON THE DEEX

1

Fill in the application form

2

Provide data about the token and the project

3

Define the cost, issuing and distribution conditions for the token

4

Specify the time for the campaign' conduction

4

Define the **min** and **max** of investitions

5

Get the partner's status

6

Create an account in the DEEX ecosystem

7

**SPEND  
A SUCCESSFUL CAMPAIGN in the  
DEEX ecosystem!**

**YOU DEFINE THE CONDITIONS OF THE CAMPAIGN! WE IMPLEMENT THEM!**

# HOW IT WORKS

The image shows a mobile application interface for DEEX. At the top, there's a navigation bar with tabs: IEO, Рынки, Кошелёк, Биржа, Рефералы, and Ноды. On the right side of the header are user settings (Username1, notifications), a light/dark mode switch, and a language switch. Below the header, the word "IEO" is prominently displayed in large white letters. A sub-section below it says "Децентрализованная IEO платформа для проведения успешных краудфандинговых кампаний ваших токенов." To the right is a graphic of a server tower with a gold coin labeled "Token IEO" on top. A green button labeled "Провести IEO" is located at the bottom left of this section. Below this, there are two cards for ongoing IEO sessions:

- IEO: TECO – DEEX сессия** (Status: Проводится). Description: "Проект Тесо предоставляет возможность инвестировать в реальный сектор экономики, приняв участие в финансировании завода...". Details: Объём к продаже: 200 000 000 TECO; Время окончания: 22 Apr 2019 12:00.
- IEO: MAINCOIN – DEEX сессия** (Status: Окончено). Description: "Проект Maincoin реализует блокчейн-функционал, основанный на принципах приватности и удобства использования собственного токена...". Details: Объём к продаже: 250 000 000 MAINCOIN; Время окончания: 29 Jan 2019 12:00.

At the very bottom of the screen, there are several small icons for social media and other platform features, followed by a "Новости" (News) tab.

This image shows the TECO IEO project page on the DEEX website. At the top, there's a banner with the TECO logo and the text "До окончания IEO осталось 2 дня". Below the banner, there's a section titled "О проекте" (About the project) with a detailed description of the TECO project. Underneath, there's a video thumbnail titled "Интервью с основателем проекта Тесо" (Interview with the founder of the TECO project). The video player has controls for "Посмотреть позже" (Watch later) and "Поделиться" (Share). At the bottom of the page, there's a section titled "Больше о проекте TECO" (More about the TECO project) with social media links.

This image shows the registration form for the TECO IEO on the DEEX website. It includes fields for selecting a currency (BTC), entering the amount (Сумма перевода), specifying the number of tokens (Количество TECO), and setting a commission rate (Комиссия). A large green "Купить" (Buy) button is at the bottom right. To the right of the form, there's a sidebar with detailed project information in a table format, including fields like "Pre-ICO", "Type", "Category", "Verified team", etc., with specific values for the TECO project.

	Pre-ICO	Type
Manufacturing	No	Category
Yes (Members: 3)	Yes	Verified team
